

# High School Ministry on a Mission

The High School Ministry here at WBC exists to partner with parents to help students love God, grow together, and reach the world. Everything we do is built around this mission. This page describes how our weekly programs help us accomplish this mission that God has given us in the Bible. We have intentionally designed a ministry with many different ways for you to get involved. Special events such as retreats and outreach events, along with more details about everything below, are described in our ministry brochure.

<p><b>Mission: Love God through Worship at church</b></p>	<p><b>Sunday morning church</b> We encourage students to participate faithfully with their parents in a worship service on Sunday mornings. The worship service is our most important spiritual commitment each Sunday. If you only attend church for one hour on Sundays, please make the church service your top priority.</p>
<p><b>Mission: Love God through Worship at home</b></p>	<p><b>Regular family worship</b> In addition to worshipping in church, we encourage families to regularly worship together at home. We will provide family discipleship guides that will help teens and their parents pray, discuss the Bible together, and deepen their relationships. We also provide parenting workshops and seminars designed to encourage and inspire parents to take the lead in their teen's spiritual development.</p>
<p><b>Mission: Grow Together</b></p>	<p><b>Wednesday night Core Groups or Family Community Groups</b> We offer two options for high school students to grow together in their faith. First, we have discipleship small groups (called Core Groups) on Wednesday nights during the school year. These small groups meet in students' homes.  Second, we have Family Community Groups, which provide an opportunity for your entire family to meet regularly with other families to build friendships, have fun, and grow together in faith.</p>
<p><b>Mission: Reach the World through Meeting Needs</b></p>	<p><b>Sunday morning I-Serve</b> Before or after attending worship service, we encourage high school students to serve on Sunday mornings. Students can serve in a wide variety of WBC ministries – welcome team, children's ministry, parking, food service, tech, etc.  In addition to students serving around the church on Sunday mornings, we also offer an opportunity for students to meet together with our youth staff to study the Bible and grow in their faith. This elective Bible study meets in the Warehouse at 945am on Sunday mornings.</p>
<p><b>Mission: Reach the World through Sharing Christ</b></p>	<p><b>Monday night Large Group</b> Each Monday night, we have a large group youth group event here in The Warehouse. Monday nights are filled with fun, worship, and engaging Bible teaching. This event is designed for students to bring their friends!</p>

To get more information about how to get involved with our High School Ministry, drop by The Warehouse, call us at 630-260-1600, or visit our website at [www.wheatonbible.org](http://www.wheatonbible.org)
